BOOK SYNOPSIS

Following the Catechism of the Catholic Church, Father Carlos Miguel Buela, founder of the religious family of the Institute of the Incarnate Word (IVE), has designed this book to be a point of reference for young people in order that they familiarize themselves with the Catechism and generously use it to deepen their faith. The Catechism for Youth goes through the Creed of the Catholic Church by addressing concerns and anxieties youth currently express, and incorporating inspirational words of our late Holy Father John Paul II towards young people. This book is a great tool for all who are involved in youth ministry.
