BOOK SYNOPSIS

The Dream Keeper Chronicles is the collection of three upper middle-grade fantasy adventures: The Dream Keeper summary: Dorothy called it Oz, Alice called it Wonderland, but Nightmares call it HOME. When an evil shifter takes over the gateway to the realm of Dreams, it falls to 14-year-olds Parker and Kaelyn to stop him. Their only hope lies with Gladamyr, the Dream Keeper, but can they trust a Nightmare to save their world? The Dreamstone summary: When Parkers mom is dreamnapped by the wicked Mab, it is up to him and Kaelyn to save her. When they return to Dreams, they discover Mab isnt their only problem. Gladamyr has lost his powers and the only way to get them back is to become what he fears the most-a nightmare. The Dream Makers summary: When Mares escapes into the world of Awake, it is left to Gladamyr and his teen bonds, Parker and Kaelyn, to stop him. They must return the most evil nightmare ever to exist back to Dreams before the barrier between the two worlds crumbles and darkness reigns forever. But to do so, Parker and Kaelyn must heal broken friendships and unite an army of children who are brave enough to conquer their fears. "The Dream Keeper is a fun, fantastic ride through both Dream and Nightmare. Brooks has written a book that can be enjoyed by young and old alike. Bravo!" -Michaelbrent Collings, bestselling author of The Billy Saga and Hooked: A True Faerie Tale "The Dream Makers is beautifully written, heart-wrenching, exciting and, ultimately, perfectly satisfying. Its a must-read for every boy or girl--and their parents. This is a story for all ages, young or old, because no matter how old we are, we are all still dreamers." Alex Banks, author of Jump Boys SOS and The Swift "The Dream Makers is a breathtaking conclusion to an incredibly inventive series! As an educator, theres nothing I like better than handing a child a book full of imagination and adventure that will keep kiddos reading way past their bedtime . . . and thats a good thing." Shauna E. Black, author of Fury of the Storm Wizard "Uniquely imaginative and very creative...I will be recommending it to all my middle grade and young adult friends!"
