## **BOOK SYNOPSIS**

World-renowned polo player and global face of Ralph Lauren, Nacho Figueras dives into the world of scandal and seduction with a new fiction series set in the glamorous, treacherous world of high-stakes polo competition. Georgia never wanted to be a jetsetter. A plain old country vet was fine for her. But one distress call from her best friend and the next thing she knows shes neck deep in the world of polos most elite international players--complete with designer dresses, fine champagne and some of the most gorgeous thoroughbreds shes ever seen. Some of the most gorgeous men too... Alejandro Del Campo needs his team to win the seasons biggest polo tournament or else hes not sure how much longer theyre going to be in business. What he doesnt need is some sassy new vet telling him how to run his business--and distracting him at every turn. But as they come closer and closer to the championship match, it soon becomes clear that Alejandro wants to win Georgia just as much as the tourney trophy. But can he ever convince her his world is where she truly belongs?
