BOOK SYNOPSIS

Will he be the last Barrington bachelor left standing? Unlucky in love, Manhattan attorney Alana Tate has to face the facts: Mr. Right doesn't exist. The only one who ever came close was Drew Barrington. Now the international motorcycle legend is back in town...and ready to fan some serious flames. Tempted as she is, Alana knows that breaking her no-dating rule with the sexy playboy rebel could also break her heart. A family crisis brought Drew back to the United States. But hooking up with the woman he has always fantasized about could make this a homecoming to remember. From glittering city penthouses to a sprawling Long Island estate, Drew pursues Alana with a passion that gradually melts her defenses. Together, can they rewrite the laws of love?
