BOOK SYNOPSIS

I have a history of picking the wrong guy. Gay? Player? Mommas boy? Check, check and check. Now I cant stop fantasizing about one of the customers at the coffee shop I work at between classes. Its just a harmless crush, right? Its not like I ever see this guy outside of the coffee shop. Its not like Im going to see him while attempting to get birth control at the student clinic. While wearing a paper gown. While sitting on an exam table. Because hes the doctor. Shoot. Me. But what if, for once, the man Ive had the dirtiest, most scandalous fantasies about turned out to be everything but wrong?
